GSW RIDES January-February 2010

FRIDAY RIDE – NEW YEAR’S DAY RIDE

Friday, January 1, 2010 @ 11:00a.m., Concord, NH (2/3/4-L/M/B-10 to 30)

Must Call Ahead Ride: This is the 6th “rejuvenation” of the Concord New Year’s Day Ride. The past few years, we have tended to just stick together in one group, but we could split into two if determined appropriate. Also, cue sheets for 10 (flat), 15, 23, 30 miles will be available for those preferring to self guide. Distances and paces will be discussed before hitting the road. No ride if snowy, rainy or excessively windy or if road conditions do not permit safe cycling. You must contact a leader to be certain a ride is taking place.

Depending upon conditions and leaders’ preference for an activity, snowshoeing or cross-country skiing might be offered as an alternative if safe cycling is not possible, so call someone to check it out. Newcomers are welcome. ☺ If we cycle, some people could decide to chat over a muffin at the Egg Shell in Loudon.

Directions: Meet at the NH Dept. of Transportation parking lot on Hazen Dr. From I-93, take exit 14 (Loudon Rd./Rt. 9). Go east, across the river. At the signal at the top of the hill, turn L onto Hazen Dr. After the orange snow plow blade, turn left into the parking lot. If the lot along Hazen Drive is available, we meet there. If it is occupied, we meet along the right side of the building or in the rear.
